

IN THE FEDERAL COURT OF THE DISTRICT OF SOUTH DAKOTA

IN RE:

(Bruce)  
Christopher The Living Man

Case #CRI 19-4185

"Judge" Pokela

District "Court", Minnehaha

Case #

WRIT OF HABEAS CORPUS  
AND COUNTER-CLAIM

I, Christopher William (lower case), a living breathing man, come before you this date, 6/10/19, as "Affiant", in truth and present, for myself, this extraordinary writ, to be considered in an Article III court of law.

FACTS OF THE CASE:

1. Affiant, on several dates, did regularly attend council meetings, in order to speak out against the 5G Network and Mr. Tenbaken's support of it.
2. Between the dates of March, 2017 and 6/2019, the affiant has sent the mayor, Mr. Tenbaken, 3 emails, none that threatened harm, to him or his family.
3. On the date of 6/6/19, the affiant filed a 28 U.S.C. § 1983 action against Mr. Tenbaken in federal civil court, via sworn affidavit in truth.
4. Copy of the initiating claim was sent to Mr. Tenbaken and to several of my friends, and to Mr. Tenbaken's peers via email on the same day (6/6/19, as a protective measure)

5. Also, on 6/6/19, Mr. Tenbraken filed charges, by himself, against the living Man (Affiant), in effect conspiring against the ~~inalienable~~ civil and Constitutional rights of the affiant, without a presented sworn affidavit of damage under penalty of perjury, and conspiring with the Minnehaha county attorney to violate affiant's right to life & liberty, in retaliation against the affiant. A warrant was issued, and the sheriffs broke down the door and arrested the affiant at gunpoint, without cause, using unnecessary and unjustified excessive force.

6. Judge Pekola, on 6/7/19, did impose an unjustified and unconstitutionally high \$25,000 cash only bond against the affiant, in a conspiracy with the afore-mentioned to keep the affiant unlawfully detained until trial, for no crime committed, and simply justified on her perception of this affiant being an alleged "Danger to the community," something truly believed by the judge, Mr. Tenbraken & the County Attorney.

### CONCLUSION & DEMAND FOR RELIEF

The only thing the affiant has PROMISED is to expose

The wrongdoings of the mayor to his family. The only thing the mayor fears is for them to discover his misdeeds, and the ruining of his political career; something he already ruins on his own. He is the victim of ~~no damage~~. No victim, no crime; no crime, no case.

The affiant is not a "U.S. Citizen", but a state national. I claim, garner, and am entitled to every protection available to one of my standing. I am subject to NO corporate by-laws, nor subject to any terms or conditions of any corporate fiction.

Pursuant to these facts, the Living Man, Christopher William ~~(Bruce)~~ ~~NOTARY PUBLIC~~ for my release from the Minnehaha County Jail ~~(for my release)~~, and demand that these "charges" be dismissed immediately. The affiant also asks that the NCO be voided, since it blatantly violates my Constitutional right of free speech.
